

You must wear a face covering

If you spot someone with a face covering exempt card on their Sunflower lanyard, please be aware that they have a hidden disability and have a good reason not to wear a face covering - for example:

- they have a physical or mental illness or impairment, or a disability that means they cannot put on, wear or remove a face covering
- if putting on, wearing or removing a face covering would cause them severe distress
- if they are travelling with, or providing assistance to, someone who relies on lip reading to communicate
